

SESSIONS

It's All About You - The Client

This workshop focuses on your specific pre-employment needs.

Has the World Gone Plum Crazy?

This session will help you to understand today's environment and the factors that have contributed to current unemployment levels.

Bringing Some Sanity to the Job Search Process

This session will help you to refine your job search process.

Overcoming the BLAHS

This session will help you to understand the affect that unemployment can have on those who are impacted.

Weathering the Storm

This module will help you to understand how to manage your personal finances during your unemployment period to ease the transition process.

Your Destiny is all About the Decisions You Make Right Now.

This session is designed to help you to take charge of their career management. It presents to you sets of alternatives and the probable consequences of those alternatives.

Your Personalized 10 Minute Critique

Each participant in this session will have a personal image evaluation which will review their marketability and "first impression".

Partners in Your Success

The Talent Connection is a consortium of Texas agencies whose mission is to expedite the successful re-employment of Texas workers. The consortium consists of representatives from Round Rock Chamber of Commerce, Austin Community College, Texas-based employers and ADAPT Companies, a recognized state outplacement firm. Together, we combine our interest and resources for the purpose of helping you connect with prospective employers who are looking for reliable, ethical, drug-free, talented employees just like YOU! Our efforts will culminate with an exclusive Talent Connection Career Fair, designed especially for you.

The ADAPT Companies Professional Team

The ADAPT Companies is a set of companies whose ultimate focus is the development and full utilization of people resources. The ADAPT Companies' team consists of a highly qualified group of education and placement specialists that is equipped to address the issues of unemployment and underemployment within the community. The team boasts of both academic and practical experience in education, administration, human resource management, assessment administration and placement.

All staff members have earned a Masters Degree or advanced studies in their respective areas of expertise and average 25 years of experience in the field. The team is represented by licensed professional counselors, rehabilitation placement specialists, certified professionals in counseling, guidance, and assessment usage, and veteran professionals in the areas of management, human resources and organizational development. The team is equipped to offer training and full support for our Spanish, French, and Vietnamese speaking clients as well as signage for hearing impaired participants. ADAPT Companies has published over 23 publications and has provided employment and personal development services to thousands of clients, both nationally and internationally.
